

LEAGUES IN PIN LEAGUE CIRCLES ARE DISQUIETED

Two Clubs Dragged Down From Top and Others Are Threatened During Play of Past Week—New Circuit.

BY BOWLER.

Eliminating two clubs from the leadership of two leagues and scaring the "vanguard" of another created a lot of gossip in bowling circles during the week. As a result better conditions exist in the Elks, Antlers and Studebaker leagues. The Deer, who jointly headed the procession with the Stags in the Elks' league, found the pace too hot. The Champs administered a good lacing to the tribe of Frehafer, making the two teams tie for fourth place.

But the Stags acted real rude for they took advantage of the trailing Horns and crushed them horribly, which now gives the Stags a two-game lead over the Bills and Toasts, their nearest contenders. Somehow the Toasts will not be denied. In spite of the fact that they lost seven out of the last nine games played they came back to life against the Tylers, won two games in a walk and are tied for second place. As there are but three games separating the first five clubs in the race interest runs high.

Bucktails Routed by Hairs.
Both ends of the percentage column in the Elks' league find new occupants as the result of the week's play. The Bucktails are superseded by the Hairs while the Tails were grateful enough to relinquish claim to the far end of the list. The Bucktails were victims of circumstances, agreeing to a postponement and being obliged to compete without their full strength represented, but submitted to the ordeal gracefully.

There were many anxious moments in the Studebaker league for the leading Axes during the week after the loss of two games, but the runners-up, the Bolsters, were kind enough to lose as many games to the Spokes.

In the meantime the Studebakers clipped another series with scarcely a struggle and Capt. Gentile's men are at present the leaders of the league. Winning all their games scheduled out of the last six and within four games from the top of the heap, has aroused considerable commotion.

C. A. Club Leaders Unmerciful.

Unprecedented in local bowling history is the clip the C. A. club is going in the C. A. club league. Every club in the league has tackled the steam roller and all have been brushed by the wayside with the single exception of the Cubs, who were fortunate enough to win one game. It was expected the Stars would take the measure of the leaders but they never came within 30 pins in any of their efforts.

This week finds the remaining five clubs all below the 500 mark in the percentage column, which proves that they play consistently enough against each other but are unable to concentrate their attack against the leaders. Just two games apart from the second to the last club is a tight fit, but when they are through they only claim as second money getters.

Cocked Hatters in Distress.

Campaigning and counter attractions have played havoc with the Coked Hat league, and the affairs of the organization are in a serious condition. But the crowd is of the faithful variety and assurance has been given that the wrinkles will be ironed out in the immediate future. A report from the Coked Hatters is that there is a number of postponements to be played off. The Cleaners have a good lead in the race and have rolled off all their games.

With the completion of the overhauling of the Y. M. C. A. alley, Uncle Sam's boys are now ready to begin hostilities. The Post office Bowling league making its debut Monday evening. The league is composed of six clubs and will start a week of preliminary bowling in seven men match work in order to establish the efficiency of the crew and at its conclusion will start on a short season of five weeks' duration.

Three of the teams are composed of clerks, two of carriers and the sixth is made up of heads of departments and others. If spirit and confidence has any influence the Disturbers have already won the pennant. They will be known as the Disturbers, headed by Capt. George Swintz with an abundance of "pepper."

The membership of the league follows:

THE PEOPLE'S CHOICE—THE STRAIGHT BOOB TICKET.—By Goldberg.

HON. U. R. LOW—
FOR PUBLIC DEMONSTRATOR OF
TURKEY TROT, TANGO AND HESITATION
WALTZ STEPS.
REGULAR BOOB NOMINEE.

HON. CORNELIUS H. MARBLETOP—
FOR OFFICIAL TAXICAB BANDIT AND
PLEASURE DESTROYER.
REGULAR BOOB NOMINEE.

HON. J. HORATIO VACUUM—
FOR MUNICIPAL DESIGNER OF
TRANSPARENT SKIRTS, MINARET
GOWNS, FUNNY HATS AND SHROUDS.
REGULAR BOOB NOMINEE.

HON. JOHN K. FOLIAGE—
FOR CITY MIXER OF COCKTAILS,
PHIZZES, HIGHBALLS AND OTHER POISONS.
REGULAR BOOB NOMINEE.

HON. PHILIP Q. EMPTYNOODLE—
FOR PRESIDENT OF THE BOARD OF
CIVIC VAUDEVILLE AND RAGTIME NOISES.
REGULAR BOOB NOMINEE.

HON. CYRUS B. J. M. USELESS—
FOR PUBLIC DISPENSER OF
LIP ROUGE AND TALCUM POWDER.
REGULAR BOOB NOMINEE.

H. S. HAS GREAT SCORING MACHINE

Tan and Blue Eleven in Four Games Has Tallied 346 Points to Opponents' Seven. Three More Contests.

HIGH'S 1913 RECORD.
South Bend... 73 St. Joseph... 9
South Bend... 113 St. Joseph... 0
South Bend... 42 Lagrange... 0
South Bend... 113 Ligonier... 7

South Bend... 346 Opponents... 7
BY PREP.

The above table shows that Coach Metzler of the high school has developed the best scoring machine that has ever donned the spangles of the tan and blue.

With 346 points against a solitary touchdown by their rivals, the local eleven appears to be the unquestioned "steam roller" that is destined to establish a new record in points scored.

While the locals were hoping, with good luck, to go through the season with the same record as that of the team of 1911, which was not scored upon, a young man from Ligonier, by name of McGinnis, achieved a feat that no man has done this year against the tan and blue, namely, scored a touchdown.

Double Points of 1911.

To make up this however, the team of '13 holds a new mark in the number of counters registered, as the 11 eleven appears to be the unquestioned "steam roller" that is destined to establish a new record in points scored.

The locals opened their season by amassing 78 points against the St. Joseph squad. On the 25th of October Lagrange was defeated by a score of 42 to 0, and local fans began to sit up and take notice, as Lagrange several times had the ball beyond South Bend's 10 yard line and was held for downs. Saturday, 18 points against the Ligonier squad, which defeated 113 to 7, the lone touchdown being made by a former student at South Bend high.

Hammond, who will be played next Saturday, should be a stunner. Block for the locals in the scoring line, for once they get possession of the ball, South Bend almost invariably goes for a touchdown. Elkhart promises to offer a stern fight, while Logansport is an unknown quantity.

Allen Scores Most.

Allen has added the most points to the tan and blue total with 105 marked to the credit of the team. Best made on goals kicked from touchdowns. He has missed 13 tries at the cross bars, while three of his points were scored on a drop kick against Ligonier.

Sullivan is second man in scoring with 72 points. Cottrell has made 42 points, with Poulin, 30, Daly, 18, and Scott, Shanafelt and Martin have each 12.

Whiteman, Hartzler, Stanley, Van Den Bosch, and Boswell have each tallied once. Wolf has been unfortunate in not scoring as twice he had the ball over the final chalk line and the referee brought it back.

A Consumptive Cough.

A cough that bothers you continually is one of the danger signals which warns of consumption. Dr. King's New Discovery stops the cough, loosens the chest, banishes the fever and let you sleep peacefully. The first dose checks the symptoms and gives you relief. Best medicine for coughs, colds, throat and lung troubles. Money back if it fails. Price 50c. & 11.00. Recommended by All Druggists.

QUARTERBACK DORAIS.

By his great performance in Saturday's game against the Army, Dorais, Notre Dame's quarterback, is likely to be accorded all-American honors in football this year. He and Eichenlaub were the best in their positions West Point has seen in years.

It goes to the root of disease, strengthens and invigorates. Its life giving qualities are not contained in any other remedy. Hollister's Rocky Mountain Tea has stood the severest test. For thirty years the surest remedy. Tea or Tablets 35 cents. Cooney Drug Store.

East Gasps at Wonderful Open Play of Notre Dame

What the east thinks of the great Notre Dame football team is gleaned from the following article taken from the New York Times in writing on the game:

The westerners flashed the most sensational football that has been seen in the east this season. The game was a style of open play and a perfectly developed forward pass, which carried the victors down the field thirty yards at a clip. The eastern gridiron has not seen such a master of the forward pass as Charley Dorais, the Notre Dame quarterback. A frail youth of 145 pounds, as agile as a cat and as restless as a jumping-jack, Dorais shot forward passes with accuracy into the outstretched arms of his ends, Capt. Rockne and Gushurst as they stood poised for the ball, often as far as 35 yards away.

"The yellow leather egg was in the air half the time, with the Notre Dame team spread out in all directions over the field waiting for it. The army players were hopelessly confused and chagrined before Notre Dame's great playing, and their style of old-fashioned close ball smashing play was no match for the spectacular and highly-perfected attack of the Indiana collegians. All five of Notre Dame's touchdowns came as the result of forward passes. They sprang the play on the army's seventh time, and only missed four. In all they gained 242 yards with the forward pass alone.

"The top-notch forward pass performance of the game happened in the second period when Notre Dame carried the ball nearly the entire length of the field in four plays for a touchdown. Rockne caught McEwan's kick-off and was downed on the fifteen-yard line. Little Dorais then got five on a quarterback run. He then hurled a long pass to Pliska, which netted thirty yards. Dorais followed this with a beautifully placed heave of thirty-five yards to Hockne. Another forward pass to Rockne carried the ball to the five-yard line and then Pliska was jammed through the Army forwards for a touchdown.

Marvel at Work.
"Football men marvel at this startling display of open football. Bill Roper, former head coach at Princeton, who was one of the officials of the game, said that he had always believed that such playing was possible under the new rules, but that he had never seen the forward pass developed to such a state of perfection.

"Except for a short time in the second period, when the Army team got going and hammered out two touchdowns, the game was a one-sided affair. The Cadets looked like novices compared with the big Indiana team. Just before West Point's second touchdown Notre Dame made a great stand, but the cadets were unable to hold the ball on the one-yard line.

Throughout the game came as a revelation to eastern critics. The forward pass was responsible for all of the western eleven's scoring, twelve of the fourteen attempts being successful. Notre Dame's eastern trip was resulting in success, the western invasion by Syracuse proved a miserable failure, the University of Michigan rolling up a score of 43 to 7. Although the scores are highly complimentary to the western coaching methods.

Army's Rivals Win.
While the Army was losing to Notre Dame, the old time rivals at Annapolis were defeating Lehigh with ease. The Navy plunged through their opponent's line almost at will, worked the forward pass and kicked goals from placement and carried off the honors with second string men.

GIANTS BEATEN BY SOX
American Leaguers Wallop Fromme and Win 9 to 4.

HOUSTON, Texas, Nov. 3.—The White Sox defeated the New York Giants 9 to 4 here Sunday. The battling of Crawford for the Sox featured. Fromme pitching for New York was unable to stop the Sox, while the Giants bunched hits on gridirons in this section as Yale's defeat, although the Cadets were expected to make a better showing than the score of 35 to 13 indicates. Notre Dame's spectacular open play

BASKETBALL PLAY STARTS NOV. 28

Fourth Annual Season of Y. M. C. A. Commercial League Will Begin Soon—Five Teams Have Been Named.

Announcement was made yesterday by J. B. Miller, physical director of the Y. M. C. A. of the opening of the fourth season of the Commercial basketball league Nov. 28. The schedule will cover a period of ten weeks. Five teams have already been named and the sixth will be selected by the league.

The league will be organized at the physical department office in the Y. M. C. A. building, 221 Chestnut street, at once. Twenty names have already been received. Practice will begin Friday evening and will be held each succeeding Friday until the opening of the season.

All of last year's entrants except the Lees will be in line again this season. They are the Lees, Schilling, Chard-Tompsett, South Bend Florals and Hellers.

Will Name Captain.
Before the opening of the season captains will be named and they in turn will choose teams, which will be as equal in strength as possible.

The league was organized in 1909 and has seen three very successful seasons. The success of the high school teams in the past several years is attributed in part to the training many of their members secured in the Y. M. C. A. league.

Bowling activities at the Y. M. C. A. began last week with the opening of the fall and winter season of the alleys. League play will begin soon on the association drives.

PUNCH KNOLL EXPECTED TO PRODUCE GOOD CLUB

FT. WAYNE, Ind., Nov. 3.—Central league fans on all hands are their eyes turned in the direction of Evansville and are hoping that Punch Knoll had little or nothing to start with last spring and as a result the Evansville club was hopeless.

Many had figured that the club which represented Evansville in the 1914. The majority of the youngsters who made good for the Evansville club were sent to Southern league and each was recalled. That left Evansville practically the same fix as at the start of last season. Evansville folks proved themselves baseball fans during the past season and they certainly merit a first dibs club.

This is the season when your blood needs purifying; if the blood is pure and healthy you'll be well. The most reliable blood remedy is Hollister's Rocky Mountain Tea. Nothing can do more good. Tea or Tablets 35 cents. Cooney Drug Store.

MINNESOTA AND MAROONS TO DO 'BIG 9' TILTING

Gophers and Chicago Remain in Race for Conference Football Championship—Aggressive Open Attack Best.

CHICAGO, Nov. 3.—Saturday's football battles witnessed the winning by Chicago and Minnesota in the western inter-collegiate conference. This result puts the Gophers and Maroons against each other in two weeks for the undisputed championship of the "big nine."

The decision in practically all the games in the middle-west demonstrated that old style, conservative attack was not a winner before aggressive attack coupled with the open game.

Purdue realized this too late against Chicago. Minnesota realized the truth in the Nebraska, and the giant Northwestern facing their crucial game of the season sent Mattern, a half of catlike capabilities, into the back field. Illinois, compelled to be conservative because of the inexperience of its material, was not a match for the open game of Chicago.

Teams Even in Honors.
Saturday's "big nine" results cleared the way for a Titanic struggle on the Northrup field between Chicago and Minnesota. The game will be a struggle between teams almost even in honors, not only for this year, but for the series of games. Minnesota has won five Chicago games. Chicago was victor in four. One meeting resulted in a six point tie. In the ten games Minnesota has scored 105 points, Chicago's total is 107. Minnesota has been held scoreless three times in the series; Chicago twice.

This year Minnesota has suffered one defeat, has scored ninety points and has had ten scores against it. Minnesota has the advantage of three fairly easy games. Chicago is to date the only undefeated team in the "big nine."

Has Record of 78 to 20.
Playing conference teams only, it has scored 78 points and had 20 scored against it.

The defeat of Ohio State by Indiana put the Chicago team completely out of the conference running. It was the first conference game Indiana has won this year.

SORINS DOWN BROWNSON

In a game in which rugged playing had much to do with the scoring, Sorin had downed Brownson yesterday, 15 to 9. Frequent fumbles and several bad passes marred the work of both teams. Neither side played good football till the last quarter.

Coffey was Sorin's best player for the speedy halfback scored all of the "Bookies' points. Both on offensive and defensive play he was the life of the Sorin team. Hynes played a head game at quarter and Clifford and Watts worked well at half and full. O'Donnell was in the game every minute at tackle and was a power on the defense for Sorin. Ward and Dundon did good work on the line.

Phinogian was easily the star of the Brownson eleven. His defensive playing checked the rushes of the Sorin backs and he was Brownson's best man on the offense. In the last quarter he pegged two pretty passes, first to Thorpe and then to Yeager, each of which went for over twenty yards. Brownson's line showed to good advantage yesterday. Miller, Holmes and McGrath worked hard to stave off defeat and it was not the fault of any of these men that Brownson was beaten.

RULE MAKERS TO MEET IN NEW YORK DEC. 30

Eighth Annual Convention of National Amateur Athletics.

NEW YORK, Nov. 3.—The eighth annual convention of the National Collegiate Athletic association will be held at the Hotel Astor on Dec. 30, when delegates from more than 60 colleges and universities will meet to discuss amateur athletics in all its phases. The principal address will be delivered by the Rev. Endicott Peabody, D. D., head master of Groton school and a graduate of the University of Cambridge, England, who will discuss the "Ideals of Sport in England and America."

Prof. George W. Ehler of the University of Wisconsin will discuss the regulations of intercollegiate athletics. An important address will be given on summer baseball by E. B. Nichols, who is the medical adviser of the Harvard athletic teams.

Dr. J. Nalmsmith of the University of Kansas, who invented the game of basketball some years ago, will also deliver an address. Basketball in the colleges has lost much favor during the last few years and several institutions do not care to revive it. The association also will discuss college football.

This is the season when your blood needs purifying; if the blood is pure and healthy you'll be well. The most reliable blood remedy is Hollister's Rocky Mountain Tea. Nothing can do more good. Tea or Tablets 35 cents. Cooney Drug Store.
